Re: Docket No. 2021-88-E – Dominion Energy South Carolina, Incorporated’s 2021 Avoided Cost Proceeding Pursuant to S.C. Code Ann. Section 58-41-20(A)

Dear Ms. Boyd:

London Economics International LLC (“LEI”), as the third party consultant in the above referenced proceeding, filed a letter yesterday in opposition to the Carolinas Clean Energy Business Association (“CCEBA”)’s Motion to shorten time to respond to interrogatories. LEI has since reviewed CCEBA’s reply, which was filed with the Commission this morning, and proposes a revised response date of October 4th, 2021 (as opposed to the previously proposed date of October 1st, 2021).

While LEI does not believe that an order is necessary in this matter, provided CCEBA has no further interrogatories to LEI (beyond the first set served on September 22nd, 2021), LEI is confident that acting in good faith it can meet the October 4th deadline proposed by CCEBA.

Sincerely,
